

BBA Rain-out Procedures

Check out the field and determine if it can be prepared to play. If it cannot be ready go through the following procedures:

1. Call the visiting team coach as soon as possible and notify him so he can notify his team. This is the largest group affected by the cancellation and usually has the furthest to travel.
2. Call the umpire that is assigned to your game. The umpire should have called you and advised you that he will be working your game and left a contact phone number where he can be reached in the event the game is cancelled.

If you did not get a call from the umpire:

Girls teams need to call Dave Niekum 412-213-0808

Boys Little/Farm call the BBA Umpire Coordinator

Neil Pilewski 412-

613-6787

Boys Pony/Colt call your League Umpire Coordinator.

3. Call Jim King 412-983-1175. He will be making the decision to open the stand or not based on your calls.
4. Notify your team.
5. Contact the opposing coach to reschedule according to your league rules.
