6. **ROSTER OPTIONS:** All players of the team who appear for the game must bat in a set order as recorded in the scorebook. Any late arrivals will be added to the bottom of the batting order. Unlimited field substitution is permitted. If a player becomes ill or is injured, the player may be removed from the lineup without penalty to her team. If a player is removed from the lineup for any other reason, each of her subsequent turns at bat will be recorded as an out. The umpire has sole discretion in determining illness or injury. If a player is removed from the lineup, she may not return to the lineup.
7. **BATS:** http://www.asasoftball.com/about/certified_equipment.asp No ASA non-approved bats are permitted in accordance with the latest ASA non-approved list. Bats must bear either the ASA approved 2000 certification mark or the ASA 2004 certification mark as shown on web page listed, and must not be listed on an ASA non approved list. Penalty is an **OUT for the first infraction, forfeiture for subsequent team infractions.** Infraction must be realized before the next official at bat begins.

9. **BATTING HELMETS:** The batter/base runner must wear a helmet at all times **on the field.** The penalty will be that the batter/base runner will be called **OUT.** If the helmet is dislodged due to contact sliding into a base, the runner will **not** be called out (umpire’s discretion). A player cannot be counted as two outs on the same play (for example; player is out at first and takes her helmet off prior to exiting the field).
10. **SLIDING:** Must slide or avoid contact rule is in effect. If a player does not slide, any contact, other than incidental contact, will result in an “out” call. Players are advised to slide in order to avoid this consequence.

 - b. Managers may not object to any ball or strike calls.
 - c. If the manager objects to a field call, he must be able to cite to a particular Tournament Rule or the ASA Rule Book. No judgment calls may be challenged.

13. **SHORTENED GAMES:** During bracket play, any game suspended (by weather or 10-run-rule) after the losing team has batted five (5) complete innings is a complete game. If the game is not a complete game, **it will be resumed at the exact point of interruption.**
